Custom Model Railroad Planning, Design, and Construction

We can help you building the model railroad of your dreams with

- Planning the layout according to your requirements and room size
- Designing exactly what you feel you need, like a continuous loop, point-to-point, or anything in between, a layout "just for fun" or a layout for prototypical operation, free lanced or modeled after a real railroad, in any given era.
- Using only top quality material and modern, state of the art techniques for sturdy and lightweight construction
- Building in our workshop or on site.

Having your empire built by us is affordable, too:

Rates

Design US-\$ 1,500.00

- If the design gets built by us, we credit 50% of the planning cost to layout construction

Construction US-\$ 55.00 per hour

Travel expenses

- Within 50 miles radius of Tampa : free
- Otherwise: US-\$ 0.80/mile
- Hotel : at cost
- per diem: US-\$ 60.00/day

Actual cost depends on site location, please call or send email for an estimate.
